Jay M. Haynie, DO, FAAO: A Leading Faculty Member's Bio

Dr. Jay M. Haynie is the Executive Clinical Director of Retina and Macula Specialists with offices in Washington State. He graduated from Pacific University College of Optometry and completed a residency at American Lake Veterans Hospital in Tacoma, WA. He has been a clinical investigator for Rainier Research, providing ocular examinations for patients undergoing experimental drug therapy for diabetes, cholesterol and diabetic neuropathy. He serves as Adjunct Assistant Professor at Pacific University College of Optometry, a Fellow of the American Academy of Optometry and a member of the Optometric Retina Society. He is a published author and has become a nationally recognized speaker on new technology and treatment of retinal and macular disease.
