### Peter K. Kaiser, MD: A Leading Faculty Member's Bio

Peter K. Kaiser, MD graduated magna cum laude with Highest Honors from Harvard College and Harvard Medical School. He completed an ophthalmology residency at the Massachusetts Eye and Ear Infirmary, and a vitreoretinal fellowship at Bascom Palmer Eye Institute before joining the vitreoretinal department of the Cole Eye Institute, Cleveland, Ohio. As a National Institute of Health funded investigator, Dr. Kaiser leads a team involved in the evaluation of vascular biology in age-related macular degeneration and diabetic retinopathy. In addition, Dr. Kaiser is actively involved in clinical research as Study Chairman of 5 major, multi-center, international clinical trials, and principal investigator in numerous studies for AMD, DR, and other retinal disorders. He is the founder and director of the Digital Optical Coherence Tomography Reading Center (DOCTR). Complementing his research endeavors, Dr. Kaiser serves on numerous scientific advisory boards and addresses his research interests as an invited speaker at national and international conferences. He is a major contributor to the medical literature having authored 7 textbooks, and more than 250 peer-reviewed papers. He is Editor-in-Chief of Retinal Physician, Associate Editor of International Ophthalmology Clinics, and serves on the editorial boards of Retina, Retina Today, and Ocular Surgery News. Dr. Kaiser has been recognized by the American Academy of Ophthalmology and American Society of Retina Specialists with Senior Achievement Awards and is listed as one of the "Best Doctors in America."
